### Part (i): Description of State Accountability System

Part (i)(I) the minimum number of students that the State determines are necessary to be included in each of the subgroups of students for use in the accountability system;

Part (i)(II) the long-term goals and measurements of interim progress for all students and for each of the subgroups of students;

Part (i)(III) the indicators used to meaningfully differentiate all public schools in the State;

Part (i)(IV) the State's system for meaningfully differentiating all public schools in the State, including --

(aa) the specific weight of the indicators in such differentiation;

(bb) the methodology by which the State differentiates all such schools;

(cc) the methodology by which the State differentiates a school as consistently underperforming for any subgroup of students; and

(dd) the methodology by which the State identifies a school for comprehensive support and improvement;

**Part (i)(V)** the number and names of all public schools in the State identified by the State for comprehensive support and improvement or implementing targeted support and improvement plans;

Part (i)(VI) the exit criteria established by the State, including the length of years established.

On April 6, 2021, the U.S. Department of Education (USDE) waived the accountability, school identification, and related reporting requirements for the 2020-21 school year. The waiver includes the report card provisions in section 1111(h)(1)(C)(i)(I)-(IV) and (VI) (Accountability system description, other than the list of comprehensive, targeted, and additional targeted support and improvement schools)

Campuses Identified for Support under the Every Student Succeeds Act (ESSA) for the 2021-22 school year: Comprehensive Support and Improvement Schools, Targeted Support and Improvement Schools and Additional Targeted Support Schools.

### Part (ii): Student Achievement by Proficiency Level

This section provides information on student achievement on the State of Texas Assessments of Academic Readiness (STAAR) performance for mathematics, reading/ELA, and science by grade level and proficiency level for the 2020-21 school year. These results include all students tested, regardless of whether they were in the accountability subset. (CWD: children with disability; CWOD: children without disability; EL: English learner)

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | - - Indicates there are no students in the group.

\* Indicates results are masked due to small numbers to protect student confidentiality.

### Part (iii): Academic Growth and Graduation Rate

#### Part (iii)(I): Academic Growth

This section provides information on students' academic growth for mathematics and reading/ELA for public elementary schools and secondary schools which don't have a graduation rate, for the 2020-21 school year. These results include all students tested, regardless of whether they were in the accountability subset. (CWD: children with disability; CWOD: children without disability; EL: English learner)

USDE waived reporting requirements in Section 1111(h)(1)(C)(iii)(I) (other academic indicator results for schools that are not high schools) for the 2020-21 school year.

#### Part (iii)(II): Graduation Rate

This section provides information on high school graduation rates for the class of 2020.

# There is no data for this district.

### Part (iv): English Language Proficiency

This section provides information on the number and percentage of English learners achieving English language proficiency based on the 2021 Texas English Language Proficiency Assessment System (TELPAS) data. (EL: English learner)

Total EL in Class	Proficiency of EL	Rate of Proficiency
37	10	27%

- Indicates there are no students in the group.
- \* Indicates results are masked due to small numbers to protect student confidentiality.
- $\diamond$  Indicates data reporting does not meet for Minimum Size.

#### Part (v): School Quality or Student Success (SQSS)

This section provides information on school quality or student success, which is college, career and military readiness (CCMR) for high schools and average performance rate of the three STAAR performance levels of all students, regardless of whether they were in the accountability subset, for elementary and secondary schools without a graduation rate. (CWD: children with disability; EL: English learner)

\* Indicates results are masked due to small numbers to protect student confidentiality.

### Part (vi): Goal Meeting Status

This section provides information on the progress of all students and each student group toward meeting the long-term goals or interim objectives on STAAR academic performance, federal graduation rate, and English learners' language proficiency. (CWD: children with disability; EL: English learner)

USDE waived reporting requirements in Section 1111(h)(1)(C)(vi) (progress toward meeting long-term goals and measurements of interim progress) for the 2020-21 school year.

### Part (vii): STAAR Participation

This section provides the percentage of students assessed and not assessed on STAAR for mathematics, reading/ELA, and science. (CWD: children with disability; CWOD: children without disability; EL: English learner)

- Indicates there are no students in the group.

\* Indicates results are masked due to small numbers to protect student confidentiality.

### Part (viii): Civil Rights Data

**Part (viii)(I)** This section provides information from the 2017-18 CRDC surveys, submitted by school districts to the Office for Civil Rights on measures of school quality, climate, and safety, including counts of in-school suspensions, out-of-school suspensions, expulsions, school related

arrests, referrals to law enforcement, chronic absenteeism (including both excused and unexcused absences), incidences of violence, including bullying and harassment. (EL: English learner)

# There is no data for this district.

**Part (viii)(II)** This section provides information from the 2017-18 CRDC surveys, submitted by school districts to the Office for Civil Rights, on the number of students enrolled in preschool programs and accelerated coursework to earn postsecondary credit while still in high school.

# There is no data for this district.

### Part (ix): Teacher Quality Data

This section provides information on the professional qualifications of teachers, including information disaggregated by high- and low-poverty schools on the number and percentage of (I) inexperienced teacher, principals, and other school leaders; (II) teachers teaching with emergency or provisional credentials; and (III) teachers who are not teaching in the subject or field for which the teacher is certified or licensed.

	All Se	chool	High-P Sch	overty ools	Low-P Sch	
	Number	Percent	Number	Percent	Number	Percent
Inexperienced Teachers, Principals, and Other School Leaders	24.0	37.9%			23.0	36.9%
Teachers Teaching with Emergency or Provisional Credentials	0.0	-			0.0	-
Teacher Who Are Not Teaching in the Subject or Field for Which the Teacher is Certified or Licensed	0.0	-			0.0	-

- Indicates there are no data available in the group.

Blank cell indicates there are no data available in the group.

### Part (x): Per-pupil Expenditure

This section provides information on the per-pupil expenditures of federal, state, and local funds, including actual personnel expenditures and actual non-personnel expenditures, disaggregated by source of funds, for each school district and campus for the 2020-21 fiscal year.

To be updated by June 30th, 2022.

### Part (xi): STAAR Alternate 2 Participation

This section provides information on the number and percentage of students with the most significant cognitive disabilities who take STAAR Alternate 2, by grade and subject for the 2020-21 school year.

	State Number of ALT2	Rate of	Region 13 Number of ALT2	Region 13 Rate of ALT2	District Number of ALT2	Rate of

### Part (xiii): Post-Secondary Enrollment

This section provides information on the cohort rate at which students who graduated from high school in the 2018-19 school year enrolled in the 2019-20 academic year in (I) programs of public postsecondary education in Texas; (II) programs of private postsecondary education in Texas; and (III) programs of postsecondary education outside Texas. (CWD: children with disability; EL: English learner)

### There is no data for this district.

### Part (xiv): Additional Information – Chronic Absenteeism

This section provides information on the Chronic Absenteeism per EDFacts definition: percent of unduplicated number of K – 12 students enrolled in a school for at least 10 days and absent for 10% or more days during the 2019-20 school year. (CWD: children with disability; EL: English learner)

	All Students	African American	Hispanic		American Indian		Pacific Islander			CWD	EL
Chronic Absenteeism Rate	1.4%	0.0%	3.2%	1.1%	-	0.0%	-	0.0%	1.8%	1.9%	0.0%

- Indicates there are no students in the group.
